

Heartland Equine Therapeutic Riding Academy
Changing lives one stride at a time!

Dear Parents, Participants or Caregivers,

Thank you for choosing HETRA. We look forward to working with you! Please read through all the information in this letter thoroughly. It contains very important information regarding registration of your Participant and participation in the HETRA program.

We are very excited about everything we have accomplished over the past few years! In order to keep the program affordable to all of the participants, HETRA continually hosts fundraising events and activities and looks for grants and foundations to help support our program. HETRA continues to be committed to provide services to our Participant regardless of their financial situation or ability to pay. With this commitment though, we need help from all of our HETRA families to assist with our fundraising efforts throughout the year.

We are very proud of our dedicated and motivated parents, guardians and Participants and all that you do for the HETRA organization. You are a very important part of our Team!!!! We are looking forward to embarking on another adventure with you.

Thank You!

Once your paperwork has been received & processed you will be contacted to set up a time for an evaluation with one of our therapists (new Participants) or to schedule your riding time (returning Participants). If you are a returning Participant your reevaluation, if needed, will be completed during your first riding session. All new Participants need to schedule an evaluation time. **There will be a \$35.00 annual registration fee for all Participants. Evaluation fees are \$100 (see billing information for more details on fees).**

2. Programs

HETRA offers Adaptive Riding, Adaptive Driving, Equine Assisted Learning, and Therapy Services Programs. There is a description of each program below. At the time of your Participant evaluation one of our therapists will discuss each program with you and make a recommendation as to which program is most appropriate for the Participant.

Session Length for mounted participants is described below: It is up to the instructors' discretion to decrease the length of a session for any reason including the following: Participant fatiguing, Participant medical problems, Participant complaining of discomfort, Participant being unbalanced, Participant behavior problems, horse fatigue or other horse-related problems. If a horse problem occurs, we will attempt to complete your session time, if possible, on another horse. Instructors will attempt to evaluate each individual Participants needs and continue the session if possible. On occasion, your participant may participate in an unmounted ground activity if there is a horse shortage or extreme weather. These activities will be designed to challenge and increase your participant's knowledge about horses & horse care.

- **Adaptive Riding Program:** Adaptive Riding Participants are scheduled to ride in groups once a week for either 30 minutes if there are 2 or fewer participants in the group or 45 minutes if there are 3 participants. Adaptive Riding Participants must be at least 4 years old. All Adaptive Riding Participants are instructed or supervised by PATH, Intl. certified riding instructors. . The goals for this program focus on horsemanship skills and leisure activities but can incorporate life skills as well. Participants are screened by a therapist and their programs are periodically reviewed by the therapist for changes.
- **Therapy Services:** Participants in this program will participate 1-3 times per week with the time frame and a number of times per week being recommended by the therapist, physician, and family. Therapy Services Participants must be at least 2 years old. A licensed OT, PT, Mental Health Practitioner, SLP, PTA, or COTA will conduct these sessions. Goals for this program focus on functional ability.
- **Group Activity Program (GAP):** Participants in this program will participate 1-3 times per week with the time frame and a number of times per week being recommended by the therapist, physician, and family. GAP Participants must be at least 4 years old. A licensed OT, PT, Mental Health Practitioner, SLP, PTA, or COTA will conduct these sessions in a group setting. Goals for this program focus on functional ability.
- **Adaptive Carriage Driving Program:** Participants will participate one time per week for 30 minutes. These will be individual sessions instructed by a PATH, Intl. certified driving instructor. Participants are evaluated and periodically reviewed by one of our therapists.
- **Equine Assisted Learning:** Participants engage in hands-on learning that utilizes the horse as a partner in exploring positive development of communication, self-respect, confidence, trust, accountability, and conflict resolution. Sessions incorporate a variety of groundwork and general horsemanship activities such as grooming, leading, and herd observation. The Equine-Assisted Learning programs can be tailored to specific individuals, populations, groups or organizations. Please note that the EAL program is strictly a groundwork (no riding) program

3. Participant Dismissal & Discharge Policy

It is at the discretion of HETRA's Staff to accept or remove a Participant from the program. The results of a risk/benefit analysis will also be considered. Participants who do not adhere to the rules and procedures or meet the guidelines for eligibility are subject to dismissal or discharge. Possible grounds for dismissal may include, but are not limited to: conduct endangering another Participant or staff or the horse, conduct endangering themselves, consistent failure to follow safety procedures with respect to the horses & facility, a gain in weight above the HETRA maximum levels, frequent cancellations or no shows. The development of a contraindicated condition or the deterioration of a condition to the point horseback riding is no longer beneficial or could be harmful to the participant or where safety for the Participant or others has become a concern.

Participants at HETRA shall have no history of inappropriate behavior with fire or any tendencies or history of abuse or violence directed toward other people or animals. HETRA reserves the right to deny services to any individual based upon concerns for the applicant's safety and/or the safety of the horses, volunteers, staff, facility, or for other reasons in accordance with PATH, Intl. operating center guidelines.

No Participant will be dismissed without an opportunity to discuss the reasons with supervisory staff. The Participant may at any time, for whatever reason, decide to sever the Participant relationship with HETRA. Notice of such a decision should be communicated as soon as possible.

4. Weight Limitations for All Participants

Maximum weights are listed below, but decisions regarding participation will be based on the availability of a suitable horse related to the height, weight, cognition and balance of the participant. The maximum weight for participants cannot exceed 220 pounds. Each horse has individual weight limitations based upon the horses' weight, age and physical condition. Not all horses can manage the maximum weights listed below. The weight limit may be lowered as determined by available equines and the ability of staff and volunteers to safely support the participant at the time services are requested. HETRA staff will evaluate the participant's weight and physical abilities to determine if riding is a safe and appropriate activity based on available equine, staff and volunteers. Weights are checked once every 12 weeks using the HETRA scales with participant wearing the appropriate riding gear.

- 220 lbs. for a well-balanced centered Participant not requiring sidewalkers.
- 180 lbs. for an unbalanced Participant needing sidewalker assistance.

5. Scheduling of a weekly riding time for new Participants

Once the initial evaluation is completed, we will make a program recommendation for your Participant and then see if we have a current opening in the HETRA schedule that is suitable to meet your Participants needs. If an opening does not currently exist, then we will put your Participant on a waiting list and you will be notified as soon as an opening becomes available. Riding sessions are typically offered late afternoon to evening on weekdays and mornings on Saturday.

6. Attire

No open-toe shoes, sandals or clog type shoes. No slick (jogging type) pants. And we would prefer that your Participant wore pants instead of shorts as the saddle can get very uncomfortable with direct skin contact. In the winter please dress in layers.

7. Children

All children under the age of 12 must be monitored and in the direct vision of the adult at all times while at the facility. Please review the barn rules with your children prior to arriving at the barn.

8. Dogs and other Animals

Dogs and other animals are not permitted at the barn. The exception to this rule is service animals. Please let your instructor know if you will be bringing a service animal to the session with you

Thank you so much for your interest in our programs, we look forward to working with you. If you have any questions or concerns, please contact the office at 402-359-8830.

SAFETY RULES FOR ALL HETRA STAFF, VOLUNTEERS, FAMILIES AND PARTICIPANTS

These guidelines have been developed for your safety. Failure to follow these rules can result in dismissal from this facility.

1. Please DO NOT pet the horses in any outside pens or indoor stalls. Some horses on the property are privately owned and are not part of the HETRA herd.
2. Please do not arrive at the barn before you are scheduled, there must be a HETRA Instructor, Staff Member, or Barn Leader on site when volunteers, students or guests arrive. For insurance purposes there cannot be visitors at the HETRA facility when there is not a staff member on site.
3. ONLY the Barn Leader or approved Horse Leader will be allowed to get horses from outside pens.
4. No untrained individual should enter a pen or stall with a loose horse in it.
5. You should not be in any outside pen UNLESS you have been asked by an Instructor or Barn Leader to complete a specific task in this area. Once this has been completed please return to the proper volunteer areas.
6. NEVER sit, kneel or lay on the ground near a horse.
7. All phones must be turned to silent or vibrate when in the arena - NEVER answer your phone while working in the arena.
8. Please only use HETRA tack and equipment and always return it to its appropriate place.
9. Always clean up after yourself and any horse you are working with (sweep up any hair, manure, and throw away any trash).
10. All riders during a HETRA riding session are required to wear approved safety helmets (this includes Instructors).
11. Please do not feed any horses treats. Treating horses tends to promote biting. Also some of the horses are on special diets and treats can be detrimental to their health. Please do not allow the horses to lick your hands this encourages biting.
12. Please DO NOT pet the horses on their heads or faces, this is a personal space for them and can make them crabby.
13. When approaching a horse, always consider the horse's limited field of vision. Horses cannot see directly behind or in front of them without moving their head. Always approach a horse at the shoulder, speak to them as you approach, and then extend your hand and pat them on the neck or shoulder. When moving around a horse, placing a hand on their hip as you move around them allows them to know where you are.
14. Avoid sudden movements when around the horse. This includes removing coats, raising arms suddenly, running, jumping climbing, etc. Horses can spook easily, please keep this in mind at all times when around horses.
15. Please Do NOT reach into or pet a horse through the bars. If they can put their heads out it is ok to pet them. Please respect that they may need down time and do not want to be petted.
16. Only HETRA Instructors are allowed to put on or remove the bridles on the HETRA horses.
17. Please do not bring dogs or any other animals to the barn. (If you have a service animal please notify HETRA Staff).
18. The cats are cute and fun to play with but they can bite and scratch. Playing with the cats is done at your own risk. Please monitor any children during their interaction with the cats.
19. All children under the age of 12 must be DIRECTLY monitored by an adult at all times while on the property. Child must be in direct line of sight and adult must not be participating in any other activities such as volunteering or riding.
20. DO NOT enter any other buildings on the property unless directed by a HETRA Instructor or Staff Member.
21. If you are not directly involved with a session please keep all activities and conversations to the designated waiting areas. It is important to keep noise and conversation to a minimum when lessons are being conducted as it can be very distracting for the participants and horses.
22. The HETRA Instructors are ultimately responsible for all aspects of the session from the time the first horse is taken out until the last one is put away. Please listen and follow all directions given by the session Instructors. Please be aware of all situations around you and report any unsafe situation to the session Instructor or Barn Leader immediately.
23. HETRA strictly prohibits anyone, including individuals with permits, to carry concealed handguns, from possessing and/or carrying a concealed handgun while on HETRA's property. NO EXCEPTIONS will be made to this Policy. Any violation may result in the dismissal of Volunteer or Guest.
24. HETRA is a Tobacco Free Facility. Smoking or the use of any tobacco products is strictly prohibited on the HETRA property. This includes the arena/barn area as well as the parking lot and adjacent buildings on the property.

HETRA does not discriminate on the basis of race, color, religion, national origin, gender, age, or disability in admission to its programs, services, or activities, or any other aspect of their operations.

HETRA Volunteer & Guest Dismissal Policy: HETRA reserves the right to dismiss a guest or volunteer from the facility and from the program if their behavior is putting themselves, a participant, staff, other volunteers or the horse's mental or physical health in jeopardy. The HETRA instructor in charge at the time of the incident will review the behavior with the volunteer and determine the level of intervention necessary. The level of intervention could include a verbal or written warning or immediate dismissal from the HETRA facility and program. Physical, emotional, mental or sexual abuse by a person at the HETRA facility will not be tolerated and will result in immediate dismissal from the HETRA facility. Alcohol consumption by a volunteer prior to a session is not allowed. A volunteer smelling of alcohol will not be allowed to assist with that night's session.

Please follow these rules at all times while at the facility. Anyone not following these rules will be asked to leave the facility.

My Family and/or I have read the Barn Rules and agree to follow them at all times while at the facility.
