HEARTLAND EQUINE THERAPEUTIC RIDING ACADEMY

HETRA

HOME OF
* ROBERT A. FALK FARM *

HETRA's mission is to improve the quality of life both physically and emotionally of adults and children of all ability levels through equine assisted activities.

"HETRA is life changing..."

HETRA

Meet my daughter, Londyn...

"When you have a child with developmental delays, you learn to never take for granted the simplest of tasks and skills they learn, such as walking, talking and jumping. To gain these skills, these sweet children like Londyn need a lot of intense therapies. Londyn has participated in traditional physical, occupational and speech therapy for over a year now, and those traditional therapies aren't always fun."

But HETRA is different...

"Since starting at HETRA Londyn has gotten so much stronger, and after just two weeks of riding **Londyn jumped for the first time!**"

"While riding Londyn is also participating in a variety of learning activities, and she is encouraged to use her words as she directs her horse, Jewel.

With that extra communication support **Londyn can now say "Momma!"**

From Job to Joy...

"HETRA provides Londyn with a therapeutic outlet that includes a horse as part of her therapy team. We hope that her experiences at HETRA can lead to a love of horses for her entire life. With Jewel as a member of Londyn's therapy team, HETRA has taken therapy and learning from being a job to being a joy. I strongly believe that the connection between human and horse supports social and emotional growth and bonding like no other.

We are so grateful to HETRA!"

"Your donation today will help participants like Londyn, and so many others at HETRA continue to grow."

~ Londyn's Mom

Together we can create a lasting impact!
